FT4 QSL

.This from the FT4JA Web site on May 23rd

We sent the files with our own QSL design to our printer and we received a sample to validate all kind of details last week. Now the card is on production and we expect to get them soon. On the other hand, we ordered a large number of envelopes (philatelic envelopes specially printed for our expedition). They will be used to mail the direct QSL. Our QSL manager started to print labels for early donors, OQRS and direct QSL received.
