According to the evaluations that they have done, they are confident to give to a lot of dxers the possibility to work this Country in the Low bands, Warc and especially in the Digis modes.

At the moment the team is already built by experienced operators: 20 people coming from 8 (eight) Countries. On the air will be five stations, any mode, around the clock.

For any further news and updates please stay tune: the official web site of this new great adventure is coming. Of course any donation and sponsorship will be very very appreciated by the entire team!
